

**MOBILE TELEPHONE SERVICE
REGULATIONS**

Item

102 PROVISION OF EQUIPMENT

- A. When the radio equipment, including the necessary tower at the fixed land station or on the mobile unit, is furnished, installed and maintained by the customer, such equipment must be in accordance with Northwestel's Connection of Customer-Provided Equipment tariff CRTC 3001, Items 1301, 1302 and 1303. (C)
- B. At the option of the customer, the radio equipment will be furnished, installed and maintained by the Company. The customer shall provide suitable mounting for the equipment and shall furnish and maintain suitable power supply.
- C. All work of installation of equipment furnished by the Company in the customer's premises or mobile unit, necessary to the furnishing of service, is done by the Company. Equipment furnished by the Company in the customer's premises or mobile unit is and remains the property of the Company, whose agents and employees have the right to enter the premises or mobile unit, at any reasonable hour, for the purpose of installing, inspecting or repairing, or, upon termination of the service, of removing the equipment.
