Item

30. TEST FACILITIES

1. The Company will furnish to the IXC, subject to the availability of facilities, interconnecting circuits, CCS7 connections and 800 connections, with appropriate ANI or Caller ID signalling, for the purpose of testing its network, at the rates and charges for such connections specified in the Company's Tariffs.
2. Connections furnished to the IXC pursuant to this item will be restricted to testing functions. The IXC shall not use these connections to carry any of its administrative or commercial traffic.
3. Bundled CAT charges will not apply to facilities designated as test facilities.
