PART 2 – CARRIER ACCESS TARIFF

Item

80. FACILITIES FOR DEDICATED ACCESS LINES

The Company will provide local loops and associated connecting links, in accordance with the provisions of CRTC 3003, Item 202 of the Company's General Tariff to APLDS who wish to provide Dedicated Access Lines (DALs) to their subscribers for use as dedicated access arrangements to their toll offerings. In addition, bundled CAT charges will apply as specified in Item 40.2(b).
