SUBSCRIPTION CHARGES

Original Page 8**SECTION IV****1. General**

- (a) In accordance with the requirements of the CRTC Tariff Regulations, the Company furnishes a copy of each of its Tariffs or parts thereof to subscribers under terms and conditions described hereunder.
- (b) The copy furnished is that which is in effect on the day payment of charges, if applicable, is received by the Company.
- (c) The charge for a complete Tariff includes the binder or binders appropriate thereto.
- (d) The Company also furnishes to subscribers to complete Tariffs a copy of each of the revised pages thereof on the payment of the appropriate charge which provides for all the approved revised pages for a one-year period. The charge for the revisions applies though there may be no revisions to the Tariff approved and in effect during that one-year period.
- (e) On request during business hours to a business office of the Company at which Tariffs are available for inspection by the public, the Company arranges to furnish one copy of each Tariff page, to a maximum of 10 pages, at no charge. This maximum of 10 Tariff pages may be from one or more Tariffs except that this does not apply for complete Tariffs provided on a subscription basis and for revisions thereto.

However, the Company may refuse to provide this maximum of 10 Tariff pages when, in its opinion, there is an attempt to avoid the payment of the appropriate Tariff charges.
