

Internet Policy

Speed and bandwidth dependent on service package and technology available at service address. Access speeds will vary depending on the distance between the customer's modem and switching equipment from Northwestel. Actual speeds experienced on the Internet may vary with customer's configuration, Internet traffic, server, satellite transport, environmental conditions or other factors. As part of your monthly subscription to Cable Internet services, Northwestel will provide a wired cable modem. An additional subscription, at the rate of \$4.95 per month will apply for any customer who wishes to have a modem with wireless (Wi-Fi) capabilities. The Enhanced Wireless Modem is only available to customers with Cable Internet.
