*Reserved IP is an optional service for business services.

V denotes grandfathered services

- Customers subscribing to Residence ADSL Service who do not have a telephone subscription will be charged a \$20.00 surcharge per month above the price referred to in the rate table. The surcharge will not be applied to customers subscribing to these services in Whitehorse and Yellowknife.
- Where ADSL and Cable Internet facilities are both available to the premises Northwestel will provision Cable Internet service.

Additional Usage Block

Residential customers purchasing one of the following Internet services: (DSL Internet 15, DSL Internet 5, DSL Internet 2, or DSL Internet Lite), and business customers purchasing one of the following Internet services: (DSL Business Internet 15, DSL Business Internet 5, DSL Business Internet 2 or DSL Business Internet 1), have the option to purchase one or two additional monthly usage block(s) of 50 GB for \$40.00 per month per block. Additional Usage Block would be in addition to the regular monthly Usage Cap included in each subscription. The following conditions also apply: Customers must purchase the Additional Usage Block for a minimum three-month period. Customers may purchase the Usage Block at any time during the month. Additional Usage Block is only available for the terrestrial DSL Internet packages referenced above.
